

In accordance with the policy outlined in PLGIT's Information Statement, all accounts that use the check writing service are required to have at least one individual designated as a Check Verifier, and online access is required. Failure to establish a verifier will result in checks not clearing at the bank.

Check writing is available from PLGIT-Class shares. There is currently no charge for check writing and no minimum check amount; however, there may be a charge for additional check stock once initial orders are used up. **Investors must contact PLGIT to place check orders.** The following is a list of features and benefits:

FEATURE

- No setup or recurring charges for check writing as an option for your PLGIT account.
- No minimum or maximum number of checks that can be written on your PLGIT account(s) per month.
- Eliminates the need for transfers to checking accounts at other institutions.
- Interest accrues until the day the check is processed against the account.
- Cancelled check images are returned monthly and available online (Front and back of check images provided).

BENEFIT

- Cost Savings.
- Can be used for all of your checking needs, from general funds to special needs accounts.
- Increased interest earnings and convenience.
- Less staff time and the potential to minimize fees paid to other institutions.
- Clear audit trail, easy storage.

Check writing provides a simple way to disburse funds from your PLGIT-Class shares while maximizing interest earnings.
